1 HUAWEI MediaPad T1 10 at a Glance

Congratulations on your purchase of the HUAWEI MediaPad T1 10.

Press and hold the power key to power on or off your device or restart it.

Press the power key once to turn on or off the screen.

2 Installing the SIM and microSD Cards

Micro SIM

3 Charging the Battery

4 Safety information

This section contains important information about the operation of your device. It also contains information about how to use the device safely. Read this information carefully before using your device.

Electronic device

Do not use your device if using the device is prohibited. Do not use the device if doing so causes danger or interference with other electronic devices.

Interference with medical equipment

- Follow rules and regulations set forth by hospitals and health care facilities. Do not use your device where prohibited.
- Some wireless devices may affect the performance of hearing aids or pacemakers. Consult your service provider for more information.
- Pacemaker manufacturers recommend that a minimum distance of 15 cm be maintained between a device and a pacemaker to prevent potential interference with the pacemaker. If using a pacemaker, hold the device on the side opposite the pacemaker and do not carry the device in your front pocket.

Protecting your hearing when using a headset

-  To prevent possible hearing damage, do not listen at high volume levels for long periods.

- Using a headset at high volumes may damage your hearing. To reduce this risk, lower the headset volume to a safe and comfortable level.
- Exposure to high volumes while driving may cause distraction and increase your risk of an accident.

Areas with flammables and explosives

- Do not use the device where flammables or explosives are stored (in a gas station, oil depot, or chemical plant, for example). Using your device in these environments increases the risk of explosion or fire. In addition, follow the instructions indicated in text or symbols.
- Do not store or transport the device in containers with flammable liquids, gases, or explosives.

Traffic security

- Observe local laws and regulations while using the device. To reduce the risk of accidents, do not use your wireless device while driving.
- Concentrate on driving. Your first responsibility is to drive safely.
- Do not hold the device while driving. Use hands-free accessories.
- When you must make or answer a call, pull off the road safely and park the vehicle first.
- RF signals may affect the electronic systems of motor vehicles. For more information, consult the vehicle manufacturer.
- Do not place the device over the air bag or in the air bag deployment area in a motor vehicle. Doing so may hurt you because of the strong force when the air bag inflates.

- Do not use your device while flying in an aircraft or immediately before boarding. Using wireless devices in an aircraft may disrupt wireless networks, present a hazard to aircraft operation, or be illegal.

Operating environment

- Avoid dusty, damp, or dirty environments. Avoid magnetic fields. Using the device in these environments may result in circuit malfunctions.
- Do not use your device during thunderstorms to protect your device against any danger caused by lightning.
- Ideal operating temperatures are 0°C to 35°C. Ideal storage temperatures are -40°C to 70°C. Extreme heat or cold may damage your device or accessories.
- Do not expose your device to direct sunlight (such as on a car dashboard) for prolonged periods.
- To protect your device or accessories from fire or electrical shock hazards, avoid rain and moisture.
- Keep the device away from sources of heat and fire, such as a heater, microwave oven, stove, water heater, radiator, or candle.
- Do not place sharp metal objects, such as pins, near the earpiece or speaker. The earpiece may attract these objects and result in injury.
- Stop using your device or applications for a while if the device is overheated. If skin is exposed to an overheated device for an extended period, low temperature burn symptoms, such as red spots and darker pigmentation, may occur.
- Do not touch the device's antenna. Otherwise, communication quality may be reduced.

- Do not allow children or pets to bite or suck the device or accessories. Doing so may result in damage or explosion.
- Observe local laws and regulations, and respect the privacy and legal rights of others.

Child's safety

- Comply with all precautions with regard to child's safety. Letting children play with the device or its accessories may be dangerous. The device includes detachable parts that may present a choking hazard. Keep away from children.
- The device and its accessories are not intended for use by children. Children should only use the device with adult supervision.

Accessories

- Using an unapproved or incompatible power adapter, charger or battery may cause fire, explosion or other hazards.
- Choose only accessories approved for use with this model by the device manufacturer. The use of any other types of accessories may void the warranty, may violate local regulations and laws, and may be dangerous. Please contact your retailer for information about the availability of approved accessories in your area.

Charger safety

- For pluggable devices, the socket-outlet shall be installed near the devices and shall be easily accessible.
- Unplug the charger from electrical outlets and the device when not in use.
- Do not drop or cause an impact to the charger.

- If the power cable is damaged (for example, the cord is exposed or broken), or the plug loosens, stop using it at once. Continued use may lead to electric shocks, short circuits, or fire.
- Do not touch the power cord with wet hands or pull the power cord to disconnect the charger.
- Do not touch the device or the charger with wet hands. Doing so may lead to short circuits, malfunctions, or electric shocks.
- If your charger has been exposed to water, other liquids, or excessive moisture, take it to an authorized service center for inspection.
- Ensure that the charger meets the requirements of Clause 2.5 in IEC60950-1/EN60950-1/UL60950-1 and has been tested and approved according to national or local standards.
- Connect the device only to products with the USB-IF logo or with USB-IF compliance program completion.

Battery safety

- Do not connect battery poles with conductors, such as keys, jewelry, or other metal materials. Doing so may short-circuit the battery and cause injuries or burns.
- Keep the battery away from excessive heat and direct sunlight. Do not place it on or in heating devices, such as microwave ovens, stoves, or radiators. Batteries may explode if overheated.
- Do not attempt to modify or remanufacture the battery, insert foreign objects into it, or immerse or expose it to water or other liquids. Doing so may lead to fire, explosion, or other hazards.
- If the battery leaks, ensure that the electrolyte does not make direct contact with your skins or eyes. If the electrolyte touches

your skins or splashes into your eyes, immediately flush with clean water and consult a doctor.

- In case of battery deformation, color change, or overheating while charging or storing, immediately stop using the device and remove the battery. Continued use may lead to battery leakage, fire, or explosion.
- Do not put batteries in fire as they may explode. Damaged batteries may also explode.
- Dispose of used batteries in accordance with local regulations. Improper battery use may lead to fire, explosion, or other hazards.
- Do not allow children or pets to bite or suck the battery. Doing so may result in damage or explosion.
- Do not smash or pierce the battery, or expose it to high external pressure. Doing so may lead to a short circuit or overheating.
- Do not drop the device or battery. If the device or battery is dropped, especially on a hard surface, it may be damaged.
- If the device standby time shortens significantly, replace the battery.
- The device has a built-in, non-removable battery. Do not attempt to remove the battery, otherwise the device may be damaged. To replace the battery, take the device to an authorized service center.

Cleaning and maintenance

- Before you clean or maintain the device, stop using it, stop all applications, and disconnect all cables connected to it.
- Do not use any chemical detergent, powder, or other chemical agents (such as alcohol and benzene) to clean the device or

accessories. These substances may cause damage to parts or present a fire hazard. Use a clean, soft, and dry cloth to clean the device and accessories.

- Keep the device and accessories dry. Do not attempt to dry it with an external heat source, such as a microwave oven or hair dryer.
- Avoid collision, which may lead to device malfunctions, overheating, fire, or explosion.
- Do not expose your device or accessories to extreme heat or cold. These environments may interfere with proper function and may lead to fire or explosion.
- Do not place magnetic stripe cards, such as credit cards and phone cards, near the device for extended periods of time. Otherwise the magnetic stripe cards may be damaged.
- Do not dismantle or remanufacture the device and its accessories. This voids the warranty and releases the manufacturer from liability for damage. In case of damage, contact an authorized service center for assistance or repair.
- If the device screen is broken in a collision, immediately stop using the device. Do not touch or attempt to remove the broken parts. Promptly contact an authorized service center.

Emergency calls

The availability of emergency calls is subject to your cellular network quality, service provider policy, and local laws and regulations. Never rely solely on your device for critical communications like medical emergencies.

Environmental protection

- The device and its accessories (if included), such as the power adapter, headset, and battery should not be disposed of with household garbage.
- Disposal of the device and its accessories is subject to local regulations. Support proper collection and recycling.

Disposal and recycling information

 This symbol (with or without a solid bar) on the device, batteries (if included), and/or the packaging, indicates that the device and its electrical accessories (for example, a headset, adapter, or cable) and batteries should not be disposed of as household garbage. These items should not be disposed of as unsorted municipal waste and should be taken to a certified collection point for recycling or proper disposal.

For more detailed information about device or battery recycling, contact your local city office, household waste disposal service, or retail store.

Disposal of the device and batteries (if included) is subject to WEEE Directive Recast (Directive 2012/19/EU) and Battery Directive (Directive 2006/66/EC). The purpose of separating WEEE and batteries from other waste is to minimize the potential environmental impacts and human health risk of any hazardous substances that may be present.

Reduction of hazardous substances

This device is compliant with the REACH Regulation [Regulation (EC) No 1907/2006] and RoHS Directive Recast (Directive 2011/65/EU). Batteries (if included) are compliant with the Battery Directive (Directive 2006/66/EC). For up-to-date information about REACH and RoHS

compliance, please visit the web site
<http://consumer.huawei.com/certification>.

EU regulatory conformance

Body worn operation

The device complies with RF specifications when used at a distance of 1.5 cm from your body. Ensure that the device accessories, such as a device case and device holster, are not composed of metal components. Keep the device away from your body to meet the distance requirement.

Certification information (SAR)

This device meets guidelines for exposure to radio waves.

Your device is a low-power radio transmitter and receiver. As recommended by international guidelines, the device is designed not to exceed the limits for exposure to radio waves. These guidelines were developed by the International Commission on Non-Ionizing Radiation Protection (ICNIRP), an independent scientific organization, and include safety measures designed to ensure the safety of all users, regardless of age and health.

The Specific Absorption Rate (SAR) is the unit of measurement for the amount of radio frequency energy absorbed by the body when using a device. The SAR value is determined at the highest certified power level in laboratory conditions, but the actual SAR level during operation can be well below the value. This is because the device is designed to use the minimum power required to reach the network.

The SAR limit adopted by Europe is 2.0 W/kg averaged over 10 grams of tissue, and the highest SAR value for this device complies with this limit.

The highest SAR value reported for this device type when tested in portable exposure conditions is 0.273 W/kg.

Statement

Hereby, Huawei Technologies Co., Ltd. declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.

For the declaration of conformity, visit the web site
<http://consumer.huawei.com/certification>.

The following marking is included in the product:

This device may be operated in all member states of the EU.

Observe national and local regulations where the device is used.

This device may be restricted for use, depending on the local network.

Restrictions in the 2.4 GHz band:

Norway: This subsection does not apply for the geographical area within a radius of 20 km from the centre of Ny-Ålesund.

Restrictions in the 5 GHz band:

WLAN function of this device is restricted only to indoor use when operating in the 5150 to 5350 MHz frequency range.

5 Personal Information and Data Security

The use of some functions or third-party applications on your device could result in your personal information and data being lost or becoming accessible to others. Several measures are recommended to help you protect personal and confidential information.

- Place your device in a safe area to prevent it from unauthorized use.
- Set your device screen to lock and create a password or unlock pattern to open it.
- Periodically back up personal information kept on your memory card, or stored in your device memory. If you change to a different device, be sure to move or delete any personal information on your old device.
- If you are worried about viruses when you receive messages or emails from a stranger, you can delete them without opening them.
- If you use your device to browse the Internet, avoid websites that might pose a security risk to avoid theft of your personal information.
- If you use services such as Wi-Fi or Bluetooth, set passwords for these services to prevent unauthorized access. When these services are not in use, turn them off.
- Install or upgrade device security software and regularly scan for viruses.

- Be sure to obtain third-party applications from a legitimate source. Downloaded third-party applications should be scanned for viruses.
- Install security software or patches released by Huawei or third-party application providers.
- Some applications require and transmit location information. As a result, a third-party may be able to share your location information.
- Your device may provide detection and diagnostic information to third-party application providers. Third party vendors use this information to improve their products and services.
- If you have concerns about the security of your personal information and data, please contact mobile@huawei.com.

6 Legal Notice

Copyright © Huawei Technologies Co., Ltd. 2015. All rights reserved.

No part of this manual may be reproduced or transmitted in any form or by any means without prior written consent of Huawei Technologies Co., Ltd. and its affiliates ("Huawei").

The product described in this manual may include copyrighted software of Huawei and possible licensors. Customers shall not in any manner reproduce, distribute, modify, decompile, disassemble, decrypt, extract, reverse engineer, lease, assign, or sublicense the said software, unless such restrictions are prohibited by applicable laws or such actions are approved by respective copyright holders.

Trademarks and Permissions

HUAWEI, HUAWEI, and  are trademarks or registered trademarks of Huawei Technologies Co., Ltd.

Android™ is a trademark of Google Inc.

The *Bluetooth*® word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Huawei Technologies Co., Ltd. is under license.

LTE is a trade mark of ETSI.

Other trademarks, product, service and company names mentioned may be the property of their respective owners.

Notice

Some features of the product and its accessories described herein rely on the software installed, capacities and settings of local network, and therefore may not be activated or may be limited by local network operators or network service providers.

Thus, the descriptions herein may not exactly match the product or its accessories which you purchase.

Huawei reserves the right to change or modify any information or specifications contained in this manual without prior notice and without any liability.

Third-Party Software Statement

Huawei does not own the intellectual property of the third-party software and applications that are delivered with this product. Therefore, Huawei will not provide any warranty of any kind for third party software and applications. Neither will Huawei provide support to customers who use third-party software and applications, nor be responsible or liable for the functions or performance of third-party software and applications.

Third-party software and applications services may be interrupted or terminated at any time, and Huawei does not guarantee the availability of any content or service. Third-party service providers provide content and services through network or transmission tools outside of the control of Huawei. To the greatest extent permitted by applicable law, it is explicitly stated that Huawei shall not compensate or be liable for services provided by third-party service providers, or the interruption or termination of third-party contents or services.

Huawei shall not be responsible for the legality, quality, or any other aspects of any software installed on this product, or for any uploaded or downloaded third-party works in any form, including but not limited to texts, images, videos, or software etc. Customers shall bear the risk for any and

all effects, including incompatibility between the software and this product, which result from installing software or uploading or downloading the third-party works.

This product is based on the open-source Android™ platform. Huawei has made necessary changes to the platform. Therefore, this product may not support all the functions that are supported by the standard Android platform or may be incompatible with third-party software. Huawei does not provide any warranty or representation in connect with any such compatibility and expressly excludes all liability in connection with such matters.

DISCLAIMER

ALL CONTENTS OF THIS MANUAL ARE PROVIDED "AS IS". EXCEPT AS REQUIRED BY APPLICABLE LAWS, NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE MADE IN RELATION TO THE ACCURACY, RELIABILITY OR CONTENTS OF THIS MANUAL. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL HUAWEI BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, OR LOSS OF PROFITS, BUSINESS, REVENUE, DATA, GOODWILL SAVINGS OR ANTICIPATED SAVINGS REGARDLESS OF WHETHER SUCH LOSSES ARE FORSEEABLE OR NOT.

THE MAXIMUM LIABILITY (THIS LIMITATION SHALL NOT APPLY TO LIABILITY FOR PERSONAL INJURY TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH A LIMITATION) OF HUAWEI ARISING FROM THE USE OF THE PRODUCT DESCRIBED IN THIS MANUAL SHALL BE LIMITED TO THE AMOUNT PAID BY CUSTOMERS FOR THE PURCHASE OF THIS PRODUCT.

Import and Export Regulations

Customers shall comply with all applicable export or import laws and regulations and be responsible to obtain all necessary governmental permits and licenses in order to export, re-export or import the product mentioned in this manual including the software and technical data therein.

Privacy Policy

To better understand how we protect your personal information, please see the privacy policy at <http://consumer.huawei.com/privacy-policy>.

7 For More Help

For more help, go to <http://consumer.huawei.com/en/> to download the **User Guide**.

Please visit <http://consumer.huawei.com/en/support/hotline> for recently updated hotline and email address in your country or region.

4 Informations relatives à la sécurité

Protection de l'audition lors de l'utilisation d'écouteurs

-  Pour prévenir tout risque de lésions auditives, évitez d'écouter à volume élevé pendant de longues périodes.

Accessoires

- L'utilisation d'un adaptateur d'alimentation, d'un chargeur ou d'une batterie non approuvé(e) ou incompatible peut entraîner un incendie, une explosion ou d'autres dangers.
- Seuls les accessoires approuvés par le fabricant de l'appareil pour une utilisation avec ce modèle peuvent être utilisés. L'utilisation de tout autre type d'accessoires peut entraîner la nullité de la garantie, enfreindre les réglementations et lois locales et être dangereuse. Veuillez contacter votre détaillant pour obtenir plus d'informations sur la disponibilité, près de chez vous, d'accessoires agréés.

Environnement d'exploitation

- Les températures d'utilisation idéales sont entre 0°C et 35°C. Les températures de stockage idéales sont entre -40°C et 70°C. Des températures extrêmement froides ou chaudes peuvent endommager votre appareil ou les accessoires.
- Les fabricants de stimulateurs cardiaques recommandent de laisser un écart minimum de 15 cm entre un appareil et un stimulateur cardiaque afin d'empêcher des interférences potentielles avec le stimulateur. Si vous utilisez un stimulateur

cardiaque, tenez l'appareil du côté opposé au stimulateur cardiaque et ne portez pas l'appareil dans votre poche avant.

- Mettez au rebut les batteries usagées conformément aux réglementations locales en vigueur. Une mauvaise utilisation de la batterie pourrait entraîner un incendie, une explosion ou d'autres dangers.
- Pour les appareils enfichables, la prise de courant doit être installée près des appareils et être facile d'accès.

Informations relatives à la mise au rebut et au recyclage

■ Ce symbole (avec ou sans barre) présent sur l'appareil, les batteries (le cas échéant) et/ou sur l'emballage, indique que l'appareil et ses accessoires électriques (p. ex. des écouteurs, un adaptateur ou un câble) ainsi que les batteries ne doivent pas être mis au rebut avec les déchets ménagers. Ces éléments ne doivent pas être mis au rebut comme déchets municipaux non triés et doivent être rapportés dans un point de collecte agréé pour être recyclés ou mis au rebut de manière appropriée.

Pour de plus amples informations concernant le recyclage de l'appareil ou de la batterie, contactez votre mairie, votre service de mise au rebut des déchets ménagers ou votre détaillant.

La mise au rebut de l'appareil et des batteries (le cas échéant) est soumise à la directive sur les WEEE remaniée (directive 2012/19/UE) et à la directive sur les batteries (directive 2006/66/CE). La séparation des WEEE et des batteries des autres déchets vise à réduire l'impact potentiel

sur l'environnement et la santé humaine des substances dangereuses qui peuvent être présentes.

Réduction des substances dangereuses

Cet appareil est conforme à la réglementation REACH [Règlementation (CE) n° 1907/2006] et à la directive RoHS remaniée (directive 2011/65/UE). Les batteries (le cas échéant) sont conformes à la directive sur les batteries (directive 2006/66/CE). Pour obtenir des informations récentes concernant la conformité REACH et RoHS, veuillez consulter le site Web <http://consumer.huawei.com/certification>.

Conformité réglementaire UE

Utilisation près du corps

L'appareil est conforme aux spécifications RF si l'appareil est utilisé à une distance de 1,5 cm de votre corps. Assurez-vous que les accessoires de l'appareil, tels que le boîtier ou l'étui, ne sont pas composés d'éléments métalliques. Conservez l'appareil à distance de votre corps afin de respecter les exigences en matière de distance.

Informations de certification (DAS)

Cet appareil est conforme aux directives concernant l'exposition aux ondes radio.

Votre appareil est un émetteur/récepteur radio de faible puissance.

Comme les directives internationales le recommandent, l'appareil est conçu pour ne pas dépasser les limites d'exposition aux ondes radio. Ces directives, élaborées par la commission internationale de protection contre les radiations non ionisantes (ICNIRP), une organisation scientifique indépendante, comprennent des mesures de sécurité destinées à protéger tous les utilisateurs, quels que soient leur âge et leur état de santé.

Le DAS (débit d'absorption spécifique) est l'unité de mesure de la quantité d'énergie radiofréquence absorbée par le corps humain lors de l'utilisation d'un appareil. La valeur DAS correspond au niveau maximal d'émissions agréé testé en laboratoire, mais le niveau DAS réel en cours de fonctionnement peut être bien inférieur. L'appareil est en effet conçu pour utiliser le minimum de puissance requise pour atteindre le réseau.

La limite DAS adoptée par l'Europe est de 2,0 W/kg sur 10 grammes de tissu et la valeur DAS la plus élevée pour cet appareil est conforme à cette limite.

La valeur DAS la plus élevée signalée pour ce type d'appareil lors de tests dans des conditions d'exposition de portable est de 0,273 W/kg.

Déclaration

Par la présente, Huawei Technologies Co., Ltd. déclare que cet appareil est conforme aux exigences fondamentales et aux autres dispositions pertinentes de la directive 1999/5/CE.

Consultez la déclaration de conformité sur le site Web
<http://consumer.huawei.com/certification>.

Le marquage suivant est présent sur le produit :

Cet appareil peut être utilisé dans tous les pays membres de l'UE.

Respectez les réglementations locales et nationales en vigueur lors de l'utilisation de l'appareil.

L'utilisation de cet appareil peut être restreinte en fonction du réseau local.

Restrictions au niveau de la bande 2,4 GHz :

Norvège : Ce sous-chapitre ne s'applique pas à la zone géographique de 20 km de rayon autour du centre de Ny-Ålesund.

Restrictions au niveau de la bande 5 GHz :

Le fonctionnement WLAN de cet appareil est restreint à une utilisation en intérieur uniquement lors d'une utilisation dans une gamme de fréquence située entre 5 150 et 5 350 MHz.

4 Informações de segurança

Proteger a audição durante a utilização dos auriculares

-  Para prevenir eventuais danos auditivos, não use o volume em níveis elevados durante longos períodos.

Acessórios

- A utilização de um transformador de corrente, carregador ou bateria não aprovado ou incompatível pode provocar um incêndio, uma explosão ou outros perigos.
- Selecione apenas acessórios aprovados pelo fabricante do dispositivo para utilização com este modelo. A utilização de qualquer outro tipo de acessórios pode anular a garantia, violar as leis e os regulamentos locais e ser perigoso. Contacte o seu revendedor para obter informações sobre a disponibilidade de acessórios aprovados na sua área.

Ambiente de funcionamento

- As temperaturas ideais de funcionamento situam-se entre os 0°C e os 35°C. As temperaturas ideais de armazenamento situam-se também entre os -40°C e os 70°C. O calor ou o frio em excesso pode danificar o dispositivo ou os acessórios.
- Os fabricantes de pacemakers recomendam que se mantenha uma distância mínima de 15 cm entre um dispositivo e um pacemaker a fim de prevenir uma potencial interferência com o pacemaker. Se utilizar um pacemaker, mantenha o dispositivo no lado oposto ao do pacemaker e não transporte o dispositivo no bolso da frente.

- Elimine as baterias gastas em conformidade com as regulamentações locais. A utilização inadequada da bateria pode provocar um incêndio, explosão ou outros perigos.
- No caso de dispositivos de ligação à corrente, a tomada eléctrica deverá estar situada perto dos dispositivos e facilmente acessível.

Informações sobre eliminação e reciclagem

Este símbolo (com ou sem uma barra escura) no dispositivo, nas baterias (caso estejam incluídas) e/ou na embalagem indica que o dispositivo e os acessórios eléctricos (por exemplo, os auriculares, transformador ou cabo) e as baterias não devem ser eliminados como lixo doméstico. Estes itens não devem ser eliminados como resíduos urbanos indiferenciados e devem ser depositados num ponto de recolha certificado para reciclagem ou eliminação adequada.

Para obter informações mais detalhadas sobre a reciclagem do dispositivo ou da bateria, contacte a sua Câmara Municipal, o serviço de eliminação de resíduos domésticos ou o seu revendedor.

A eliminação do dispositivo e das baterias (caso estejam incluídas) está sujeita à Directiva de Resíduos de Equipamentos Eléctricos e Electrónicos (REEE) reformulada (Directiva 2012/19/UE) e à Directiva sobre baterias (Directiva 2006/66/CE). O motivo pelo qual se devem separar os REEE e as pilhas de outros resíduos consiste em minimizar os potenciais impactos ambientais e os riscos para a saúde humana causados por quaisquer substâncias perigosas que possam estar presentes.

Redução de substâncias perigosas

Este dispositivo está em conformidade com o regulamento REACH [Regulamento (CE) n.º 1907/2006] e com a Directiva RSP reformulada (Directiva 2011/65/UE). As baterias (se incluídas) estão em conformidade com a Directiva sobre baterias (Directiva 2006/66/CE). Para obter informações actualizadas sobre a conformidade REACH e RSP, visite a página Web <http://consumer.huawei.com/certification>.

Conformidade regulamentar da UE

Utilização junto ao corpo

O dispositivo está em conformidade com as especificações de radiofrequência emitidas quando é utilizado a uma distância de 1,5 cm do corpo. Certifique-se de que os acessórios do dispositivo, tais como a caixa e o estojo do mesmo, não contêm componentes de metal. Mantenha o dispositivo afastado do corpo para respeitar a distância exigida.

Informação de certificação (SAR)

Este dispositivo cumpre as directrizes de exposição a ondas de rádio.

O dispositivo é um transmissor e receptor de rádio de baixa potência. Conforme recomendado pelas directrizes internacionais, o dispositivo foi concebido para não exceder os limites de exposição a ondas de rádio. Estas directrizes foram desenvolvidas pela International Commission on Non-Ionizing Radiation Protection (ICNIRP, ou Comissão Internacional para a Protecção contra Radiações Não Ionizantes), uma organização científica independente, e incluem medidas de segurança para todos os utilizadores, independentemente da idade e do estado de saúde.

A taxa de absorção específica (SAR) é a unidade de medida para a quantidade de energia de radiofrequência absorvida pelo corpo durante a utilização de um dispositivo. O valor de SAR é determinado ao nível mais

elevado de potência certificada em condições de laboratório, embora o nível de SAR real em funcionamento possa estar muito abaixo desse valor. Isto deve-se ao facto de o dispositivo ser concebido para utilizar a potência mínima necessária para ligar à rede.

O valor SAR adoptado na Europa é de 2,0 W/kg, calculado com base em 10 gramas de tecido corporal, e o valor de SAR mais elevado deste dispositivo está em conformidade com este limite.

O valor de SAR mais elevado comunicado para este tipo de dispositivo quando testado em condições de exposição portáteis é de 0,273 W/kg.

Declaração

A Huawei Technologies Co., Ltd. declara pelo presente que este dispositivo está em conformidade com os requisitos essenciais e outras disposições relevantes da Directiva 1999/5/CE.

Para consultar a declaração de conformidade, visite a página Web <http://consumer.huawei.com/certification>.

É utilizada a seguinte marcação incluída no produto:

Este dispositivo pode ser utilizado em todos os Estados-Membros da UE.

Cumpra os regulamentos nacionais e locais aplicáveis no local de utilização do dispositivo.

A utilização deste dispositivo pode estar restrita, consoante a rede local.

Restrições na banda de 2,4 GHz:

Noruega: Esta subsecção não se aplica à área geográfica num raio de 20 km desde o centro de Ny-Ålesund.

Restrições na banda de 5 GHz:

A função WLAN deste dispositivo está apenas restrita à utilização em interiores quando operar no intervalo de frequência de 5150 a 5350 MHz.

1 欢迎

感谢您选购 HUAWEI MediaPad T1 10 !

关机状态下，长按电源键开机。

开机状态下，按电源键关闭或点亮屏幕；长按电源键可以关闭或重启设备。

2 安装

Micro SIM

3 充电

4 安全信息

听力保护

-  请勿长时间以高音量使用设备收听音频，以免损伤听力。

配件

- 使用未经认可的或不兼容的电源适配器、充电器或电池可能会引起火灾、爆炸或其他危险。
- 请仅使用设备厂商认可且与此型号设备配套的配件。如果使用其他类型的配件，可能违反本设备的保修条款以及当地相关法律法规，并可能导致安全事故。如需获取当地已获认可的配件信息，请联系您的经销商。

操作环境

- 合适的设备工作温度为 0°C~35°C。合适的设备存储温度为 -40°C~70°C。极热或极冷可能损坏您的设备和配件。
- 据起搏器生产商的建议，设备和心脏起搏器间的距离至少保持在 15 厘米，以避免设备对起搏器的潜在干扰。使用起搏器时，应使用与佩带起搏器不同侧的耳朵接听电话，并且不应将设备放在胸袋中。
- 废弃的电池应按照当地法律法规进行处理。电池使用不恰当可能引起火灾、爆炸或其他危险。
- 对可插拔设备，插座应当装在设备的附近，而且应当便于触及。

废弃及回收处理

■ 设备、电池(如果有)和/或包装上的本标示(有或无实心线)表示本设备,其电子配件(如耳机、适配器或线缆)及电池不可作为生活垃圾处理。上述物品不应作为一般废弃物处置,而应送至指定回收点,以便回收利用或妥善处置。

关于设备和电池回收的详情,请联系当地政府部门、生活垃圾处理服务部门或零售商店。

设备和电池(如果有)的处理,应遵循欧盟废弃电子电气设备指令(Directive 2012/19/EU)及电池环保指令(Directive 2006/66/EC)。将电子电气设备和电池从其他废弃物分离是为了尽量减少对环境的潜在影响,以及降低任何有害物质对人类健康的危害。

废弃及回收处理

本设备符合 REACH 法规【Regulation (EC) No 1907/2006】及 RoHS 指令(Directive 2011/65/EU)。电池(如果有)符合欧盟电池环保指令(Directive 2006/66/EC)。关于 REACH 和 RoHS 遵循性的最新信息,请访问 <http://consumer.huawei.com/certification>。

欧盟法规遵循性

随身携带操作

当您对着耳朵使用本设备或当其距离您的身体 1.5 厘米时,本设备符合 RF 暴露规范。确保本设备配件,例如设备盒和设备套,不含金属材料,并且设备与身体应保持上述规定的距离。

认证信息(SAR)

本设备符合无线电波暴露规范。

您的设备是一台低功率的无线电发射机和接收机。如国际准则所建议，本设备不超过限额的无线电波暴露。这些准则由独立的科学组织 ICNIRP (国际非电离辐射防护委员会) 建立。准则中包含的安全措施，适用于任何年龄和健康状况的用户。

SAR(射频能量吸收比率)是衡量使用设备时人体吸收射频能量多少的指标。SAR 值根据实验室条件下根据最高的认证功率所决定。但是，本设备设计旨在以最低的功率接入网络，因此实际操作中的 SAR 水平远低于该值。

欧洲采用的 SAR 标准是每十公克人体组织 2.0 W/kg。本设备最高的 SAR 值不能超过该标准。

在便携式暴露条件下，本设备的最高 SAR 值为 0.273 W/kg。

声明

华为技术有限公司郑重声明本设备遵循 1999/5/EC 号指令中的基本要求及其它相关条款。

您可在 <http://consumer.huawei.com/certification> 找到此声明的全文。

本设备包含以下标志：

本设备可在欧盟所有成员国使用。

使用本设备时请遵守当地法律法规。

根据当地网络，本设备可能被限制使用。

2.4 GHz 频段限制：

挪威：本条款不适用于离新奥尔松中心半径 20 公里范围内的地理区域。

5 GHz 频段限制：

WLAN 功能仅限于室内使用并且频率范围应为 5150 到 5350 MHz。
