

Latter-day Saints, Ghana streamlines with Sage VIP Premier

Please provide a brief background on the company:

The Accra Ghana Temple is the 117th operating temple of The Church of Jesus Christ of Latter-day Saints (LDS Church).

Which Sage solution/s will be implemented?

Sage VIP Premier

Is this a Purchased deal or a Hosted solution?

Purchased

What challenges was the client facing which led to the system change/upgrade?

Leave application processes

What motivated their choice of solution and vendor?

Sage VIP Premier was customised to meet the needs of our organisation. The support response time was very good and the support team showed expertise and respect in all situations.

Tell us about the implementation, training, process, etc.

The support team showed expertise and respect in all situations.

How has the new software benefited the company?

ESS has helped us streamline our leave application process and employees seem to love the fact that they can see and easily be notified of leave approval

How has the new solution/s positioned the company for future growth?

The organization started using VIP Premier in January 2015.

"As a payroll administrator, I love that I do not have to spend so much time calculating paper based overtime and enveloping pay slips."

A brief quote from the client regarding the improvements the software solutions have brought to the business.

"Over all the decision to move on Sage VIP and ESS, has proved very rewarding for us."
