Notes on segment information:

Segment revenue and expense:

Revenue is generated through licensing of software products as well as by providing software solutions to the customers including consulting services. The income and expenses which are not directly attributable to a business segment are shown as unallocable income and expenses.

Segment assets and liabilities:

revenues, advance from customers, accrued employee costs and other current liabilities. While most of such assets and liabilities can be directly attributed to individual segments, the carrying amount of certain assets and liabilities used jointly by two segments is allocated to the segment on a reasonable basis. Assets and liabilities that cannot be allocated between the segments are shown as part of unallocable assets and liabilities. Segment assets include all operating assets used by a segment and consist principally of trade receivables net of allowances, unbilled revenues, deposits for premises and fixed assets. Segment liabilities primarily include deferred

Previous quarter's / year's figures have been reclassified, where necessary, to conform with current quarter's / year's presentation.

Auditor's Report On standalone Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To Board of Directors of Oracle Financial Services Software Limited

- 1. We have audited the quarterly standalone financial results of Oracle Financial Services Software Limited (the 'Company') for the quarter ended March 31, 2016 and the financial results for the year ended March 31, 2016, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The quarterly standalone financial results are the derived figures between the audited figures in respect of the year ended March 31, 2016 and the published year-to-date figures up to December 31, 2015, being the date of the end of the third quarter of the current financial year, which were subject to limited review. The standalone financial results for the quarter ended March 31, 2016 and year to date ended March 31, 2016 have been prepared on the basis of the standalone financial results for the nine-month period ended December 31, 2015, the audited annual standalone financial statements as at and for the year ended March 31, 2016, and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these financial results based on our review of the standalone financial results for the nine-month period ended December 31, 2015 which was prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS) 25, Interim Financial Reporting, specified under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India; our audit of the annual standalone financial statements as at and for the year ended March 31, 2016; and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the standalone financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
- In our opinion and to the best of our information and according to the explanations given to us these quarterly standalone financial results as well as the year to date results:
 - are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; and
 - give a true and fair view of the net profit and other financial information for the quarter ended March 31, 2016 and for the year ended March 31, 2016.

Chartered Accountants

4. Further, read with paragraph 1 above, we report that the figures for the quarter ended March 31, 2016 represent the derived figures between the audited figures in respect of the financial year ended March 31, 2016 and the published year-to-date figures up to December 31, 2015, being the date of the end of the third quarter of the current financial year, which were subjected to a limited review as stated in paragraph 1 above, as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Segment revenue and expense: Notes on segment information:

Revenue is generated through licensing of software products as well as by providing software solutions to the customers including consulting services and business process outsourcing services. The income and expenses which are not directly attributable to a business segment are classified as unallocable income and expenses.

Segment assets and liabilities:

Segment assets include all operating assets used by a segment and consist principally of trade receivables net of allowances, unbilled revenue, deposits for premises and fixed assets. Segment liabilities primarily includes deferred revenues, advance from customers, accrued employee cost and other current liabilities. While most such assets and liabilities can be directly attributed to individual segments, the carrying amount of certain assets and liabilities used jointly by two or more segments is allocated to the segment on a reasonable basis. Assets and liabilities that cannot be allocated between the segments are shown as part of unallocable assets and liabilities.

Auditor's Report On Quarterly Consolidated Financial Results and Consolidated Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To Board of Directors of Oracle Financial Services Software Limited

- We have audited the quarterly consolidated financial results of Oracle Financial Services Software Limited (the 'Company'), its subsidiaries (together referred to as 'the Group') and its associate for the quarter ended March 31, 2016 and the consolidated financial results for the year ended March 31, 2016, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The quarterly consolidated financial results are the derived figures between the audited figures in respect of the year ended March 31, 2016 and the published year-to-date figures up to December 31, 2015, being the date of the end of the third quarter of the current financial year, which were subject to limited review. The consolidated financial results for the quarter ended March 31, 2016 and year to date ended March 31, 2016 have been prepared on the basis of the consolidated financial results for the nine-month period ended December 31, 2015, the audited annual consolidated financial statements as at and for the year ended March 31, 2016, and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these consolidated financial results based on our review of the consolidated financial results for the nine-month period ended December 31, 2015 which was prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS) 25, Interim Financial Reporting, specified under the Section 133 of the Companies Act 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India; our audit of the annual consolidated financial statements as at and for the year ended March 31, 2016; and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
- 3. We did not audit the financial statements of two subsidiaries included in the consolidated quarterly financial results and consolidated year to date results, whose financial statements reflect total assets of Rs 57.42 million as at March 31, 2016; as well as the total revenue of Rs Nil for year ended and Rs Nil for the quarter ended March 31, 2016, whose financial statements and other financial information have been audited by other auditors and whose reports have been furnished to us. Our opinion on the quarterly financial results and the year to date results, to the extent they have been derived from such financial Statements is based solely on the report of such other auditors. BATUBOI & ASSO

Chartered Accountants

- 4. In our opinion and to the best of our information and according to the explanations given to us these quarterly consolidated financial results as well as the year to date results:
 - are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; and
 - ii. give a true and fair view of the net profit and other financial information for the quarter ended March 31, 2016 and for the year ended March 31, 2016.
- 5. Further, read with paragraph 1 above, we report that the figures for the quarter ended March 31, 2016 represent the derived figures between the audited figures in respect of the financial year ended March 31, 2016 and the published year-to-date figures up to December 31, 2015, being the date of the end of the third quarter of the current financial year, which were subjected to a limited review as stated in paragraph 1 above, as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

FOR IMMEDIATE RELEASE

Oracle Financial Services Software Limited Announces Revenue for quarter ended March 2016 up 7% YoY Recommended a final Dividend of Rs 100 per equity share

Mumbai, India, May 11, 2016: Oracle Financial Services Software Limited (Reuters: ORCL.BO & ORCL.NS), a majority owned subsidiary of Oracle, today announced that Indian GAAP consolidated revenue for the financial year ended March 2016 was Rs. 40,928 million, up 5% as compared to financial year ended March 2015. The operating income for the same period grew 8% to Rs. 16,058 million while the net income was Rs. 11,658 million, down 2%. For the full year, the revenue and operating income from the products business were Rs. 34,320 million and Rs. 16,388 million respectively, while the revenue and operating income from the Services Business were Rs. 5,461 million and Rs. 700 million, respectively.

Consolidated revenue for the quarter ended March 2016 was Rs. 10,130 million, up 7% from March 2015 quarter. The operating income for the same period was down 1% year over year, to Rs. 3,503 million. Net income for the quarter was Rs. 2,244 million, down 3% year over year. The revenue and operating income for the quarter from the products business were Rs. 8,606 million and Rs. 3,872 million respectively, while the revenue and operating income from the Services Business were Rs. 1,233 million and Rs. 55 million, respectively.

The Board of Directors of the Company has recommended a final dividend of Rs 100 per equity share of face value of Rs 5 each for the financial year 2015-16. This final dividend is subject to the approval of the shareholders.

Chet Kamat, managing director and chief executive officer for Oracle Financial Services Software, said, "We continued the success in various markets across our portfolio of products. We signed US\$18 million of new license fees in the quarter, with significant wins across our portfolio. For the full year, the license signings stood at a healthy \$82 million. The license revenues posted 18% growth for the full year. We are engaged in several strategic client engagements for all our product lines especially the Oracle Banking Platform and the Analytics suite."

Makarand Padalkar, chief financial officer for Oracle Financial Services Software, said, "Overall operating performance for the full year continued to be strong. We posted our highest operating (EBIT) margins at 39% for the full year. All other operating parameters continue to be healthy."

Business Highlights

- The Company signed new licenses of US \$18 million in the quarter.
- Eighteen customers went live on Oracle Financial Services Software for their operations during the quarter.
- T-Mobile with 36,000 employees and more than 50 million subscribers has selected Oracle
 Financial Services Lending and Leasing on Oracle Public Cloud with Exadata as a Service to
 enable its customer to finance the purchase of new mobile devices at the point-of-sale.
- An auto finance company providing automobile loans with a national network of dealer-partners
 has selected Oracle Financial Services Lending and Leasing to support its expanding loan
 business.
- KeyBank has selected Oracle Financial Services Financial Crime and Compliance Management (FCCM) tools to support compliance with changing regulatory demands and mitigate enterprise risk
- A private bank, investment management and wealth planning company for high net worth individuals and commercial clients in England has selected Oracle FLEXCUBE for its core banking operations.
- A large privately owned investment management firm in Africa managing client assets across
 equity, fixed interest and multi-asset mandates has expanded its licenses of Oracle FLEXCUBE
 Investor Servicing to support the growth of its business.
- Sygnity, a Platinum-level member of the Oracle Partner Network, has won the contract to deploy
 Oracle FLEXCUBE at Bank Gospodarstwa Krajowego offering various banking products and
 services to its customers. This deployment will support the bank's operations including its
 deposits, loans, lines of credit, cash settlements and more.
- In India, a small finance bank has selected Oracle FLEXCUBE and Oracle Financial Services
 Analytical Applications to support its growing micro finance business and auto, education and
 housing loan business.
- Another micro finance bank in India has expanded its Oracle FLEXCUBE footprint to support its micro finance growth strategy.
- A major banking & financial services company in India has chosen Oracle Banking Platform to
 form the core of an enterprise digital engagement capability to power consistent access across
 current and any new customer interaction methods to the bank's product processing systems.

- A bank in Japan has selected Oracle Financial Services Analytical Applications to support its governance, risk management and compliance initiatives.
- One of the top ten banks in Thailand offering banking, consumer finance, investment, asset management, and other financial products and services to individual customers, small and medium enterprises (SMEs), and large corporations has selected Oracle Financial Services Analytical Applications to support its regulatory compliance initiatives.
