

PRIMAVERA CONSULTING: PRIMAVERA P6 EPPM ENABLEMENT SERVICES

Oracle's Primavera Consulting organization offers a comprehensive enablement program for the suite of Oracle Primavera products. The offering supports a smooth transition to the new software for users, while allowing them to become self sufficient within the applications. The customized training programs utilize experienced instructors to lead interactive courses based on proven curriculum supplemented with hands-on exercises and knowledge transfer sessions.

The Primavera Consulting training team will analyze the specific enablement requirements and create a detailed education plan based on the audience, project needs and schedule.
