(Last updated: September 15, 2015)

### 1. Introduction

1.1. Welcome to Sage View (including the Sage View Connector tool and/or Sage View mobile app, where applicable; hereinafter referred to collectively as “Sage View”), an online solution designed to strengthen your working relationship with your accountant (including the accountant’s firm and permitted users of the Sage View account; hereinafter referred to collectively as “accountant”) by allowing you to connect your data to your accountant’s Sage View account as an “invited user,” which will allow your accountant to review and analyze your data through Sage View. Sage View is provided by Sage. Your access to and use of any and all Sage View versions and/or editions and any related services not governed by a separate agreement is governed by and subject to the following terms and conditions and Sage’s applicable policies and procedures for Sage View (collectively, the “Terms”).

### 2. **Sage's Provision of Sage View**

2.1. Sage will provide you access to Sage View in accordance with these Terms. If you are accessing Sage View through an “invited user” account, you will have limited access to the features of the respective Sage View version and/or edition while your account is active.

2.2. If you breach any of these Terms, as determined by Sage in its sole discretion, you agree that Sage may disable access to your Sage View account (“Your Account”); and you may be prevented from accessing Sage View or your account details, data, passwords, or other material that you submit, post, incorporate, or display on or through Sage View (collectively “Your Material”) that connects to, becomes part of, and is incorporated in your accountant’s Sage View account.

2.3. If Sage discovers that Your Material violates these Terms or applicable legal agreements, laws, regulations or policies, you agree that Sage may remove Your Material and Your Account at its sole discretion.

2.4. Sage makes no promises as to the availability of Your Material or Sage View or the functionality of Sage View.

You agree to provide true, accurate, current, and complete information about yourself, your company, and your accounting software accounts to Sage and you agree to not misrepresent your identity or your account information to Sage. You agree to keep your account information up to date and accurate.

3.2. You understand and agree that you must grant your accountant access to your data through Sage View by agreeing to connect with your accountant’s Sage View account, and you may terminate your accountant’s access to your data at any time by disconnecting your company using Sage View. If you disconnect, you understand and agree that your accountant will no longer have access to your data through their Sage View account. 3.8. You acknowledge and agree that when Sage accesses and retrieves information from other Sage or third party accounts, sites, servers, or applications, Sage is acting as your agent, and not the agent or on behalf of the third party.
